

The image shows a sequence of geometric shapes arranged in two rows. The top row contains the letters P, E, S, R, E, A, U, X. The bottom row contains the letters C, M, M, U, N, E. The letters are formed by various geometric shapes: P is a hexagon with a vertical line through its center; E is a rectangle with a horizontal line through its middle; S is a trapezoid; R is a hexagon with a diagonal line from top-left to bottom-right; E is a rectangle with a horizontal line through its middle; A is a triangle with a smaller triangle inside; U is a U-shaped polygon; X is an 'X' shape. The bottom row letters are also formed by geometric shapes: C is a hexagon; M is a V-shape; M is a V-shape; U is a U-shape; N is a V-shape; E is a rectangle with a horizontal line through its middle.
